U.S. JOB OPPORTUNITY ANNOUNCEMENT

Position Title	Supervisory Environmental Engineer			Announcement Number	05NAP-039859-RA
PP-Series-Grade	GS-0819-14			Opening Date	9 May 2005
Starting Salary	\$ 76,193 PA	Work Schedule	Full-time Permanent	Closing Date	20 May 2005
Job Location	Commander Navy Region Europe, Facility Support Department			Duty Location	Naples, Italy
Who May Apply	U.S. citizens residing in the Naples/Gaeta commuting area who meet the following conditions. 1. Family members eligible for Schedule A 213.3106(b)(6) appointments. 2. Current Federal employees serving under career or career conditional appointments. 3. Preference eligibles or veterans who have been honorably separated from the armed forces after substantially completing an initial 3-year term from active service				
About the Job	The incumbent directs the installation Environmental Coordinators who execute delivery of environmental services of each installation. Builds the collective regional environmental program requirements by reviewing the environmental operations at each base and offering technical support and advice. Develops a regional environmental resource allocation plan that provides the resources necessary to effectively execute across the region using the budget controls received from the Regional Comptroller. Works closely with the CNI and Regional Comptroller staff to perform many critical EC management processes. Using established metrics, closely monitors the "health" of the Regional environmental program's performance from the effectiveness (quality) perspective and from the efficiency (cost) perspective. Plans work to be accomplished by subordinates, sets and adjusts short-term priorities, and prepares schedules for completion of work. Evaluates work products of subordinates. Maintains an intimate familiarity with the quantity and quality of work produced by each subordinate and finds ways to increase productivity.				
OPM Qualification Requirements	<u>APPLICANT MUST MEET EXPERIENCE OR EDUCATION REQUIREMENTS:</u> <u>BASIC REQUIREMENTS:</u> A. A degree in professional engineering. OR B. Combination of college-level education, training, and/or technical experience that furnished (a) a thorough knowledge of the physical and mathematical sciences underlying professional engineering, and (b) a good understanding, both theoretical and practical of the engineering sciences and techniques and their application to one of the branches of engineering. <u>EXPERIENCE:</u> One (1) year of specialized experience equivalent to the next lower grade level is required. Specialized experience is defined as experience that equipped the applicant with the particular knowledge, skills and abilities to perform successfully the duties of the position and that is typically in or related to the work of the position to be filled.				
Tell us about your experience	1. Knowledge of advance principles, methods, theories, and techniques of environmental engineering. 2. Knowledge of related engineering fields such as civil and chemical engineering in addition to in-depth knowledge in the incumbent's area. 3. Knowledge and skill to provide expert staff advisory, consulting, and reviewing services to all activities within the CNRE in environmental engineering aspects. 4. Knowledge and ability to effectively negotiate solutions to controversial environmental problems with other professionals, both military and civilian officials, and representative				
Job Conditions	1. Must be able to obtain/posses a Secret security clearance. 2. Requires one year supervisory probationary period..				
Pertinent Information	1. Applicants who are U.S. citizens and also citizens of Italy are not employable in a U.S. position. 2. Application package, including documents required by the SOFA, must be submitted by closing date of this announcement. 3. Highest previous rate may be authorized. 4. Selection to this position will use your military spouse preference.
